AVENGE OLE MISS!

Turn the tables on the Jew Communist Race mixers!

Jew NAACP attorney Greenberg went into the Federal Courts on behalf of the Negro, James Meredith. This Jew won a decision that Ole Miss had to admit Meredith as a constitutional right.

Because we don't believe it is possible to win power by unlawful methods, we were FORCED to recognize that the U. S. marshals and the army, enforcing "the law of the land", would inevitably win the "Battle of Mississippi". For this reason, we deplored the sight of white men fighting each other and even killing each other over one red nigger.

But we predicted that the opportunity would come when WE--the white gentiles--would be on the side of the law while the Jew communist and race-mixing terrorists would be the law breakers.

That opportunity has come far sooner than we expected!

Today we are in a position to do to the Jew communists and race-mixers EXACTLY what they did to our people in Mississippi--and all perfectly legal!

In spite of the screams and vicious attacks of the Jew communist race-mixers, we have clearly established our constitutional right to picket, speak and distribute literature in almost every city in America. Even in New York City, with the Jew population bigger than that of Israel, we won the right to picket with swastikas and signs reading "Communism is Jewish!" even in New York's red Union Square. Court after court, including the United States Supreme Court, has grudgingly upheld our rights in spite of the screams of the Jews.

But, as we have learned from experience, the City of Philadelphia is the most Jew-dominated and Jew-terrorized city in the country. There are not so many Jews there as in New York, but there are more Jews per capita AND THEY ARE THE VILEST AND MOST LAWLESS TERRORISTS WE HAVE EVER ENCOUNTERED! The Philadelphia police and municipal courts are packed with Jews and Jew toadies and the non-Jews cringe in abject horror of the Jews.

As we will show, this situation is the EXACT OPPOSITE of the situation in Mississippi where, until the recent Federal Court intervention, the white gentiles dominated their own state. Mississippi was told that, in spite of the certainty that almost all of Mississippi's decent citizens would react violently to the attempt to put a red nigger in the schools, because of the Constitution and laws the will of the people of Mississippi had to be crushed by the army and federal marshals.

In Philadelphia the Jews occupy the position occupied by the white gentiles in Mississippi. On five separate occasions, Philadelphia has violently and unlawfully denied us our plain constitutional rights as Americans in one of our own American cities.

On January 28, 1961, we announced we were coming to Philadelphia to picket. The Police Commissioner proclaimed, "Anyone who tries to picket in Philadelphia will be arrested"!

On February 1, 1961, three brave men were arrested in a Philadelphia parking lot, as they stepped out of their cars, in civilian clothes, with signs rolled up. They were charged with "inciting to riot", held in $10,000 bail, beaten, tortured, frozen and threatened with loss of life at gunpoint by Jewish police and terrorists.

On June 12, 1961, after 4-1/2 months of terrorism and torture, an American jury found these men not guilty. As they left court, a Jew fanatic, Bernard Yollin, attacked Stormtrooper Ralph Forbes with a beer can opener and tore a gash in his head. Yollin was set free, but Forbes was arrested for "assault", and then attacked by 50 Jew terrorists right in the police station!

On June 4. 1962, 60-year-old Frank Niles went to Philadelphia alone to picket against treason. Hundreds of Jews and Negroes rushed out of the ADL building and beat him bloody right in the presence of Philadelphia plainclothesmen!

On June 14, 1962, Captain Seth D. Ryan of the American Nazi Party went into Philadelphia Municipal Court seeking police protection for our constitutional rights. The court refused to act, but the police promised to enforce the law.

On June 15, 1962, they did not. When five of our brave men attempted to picket, the police jammed up against the car doors and refused to even let them out to picket.

On June 26, 1962, five more of our men went to Philadelphia to picket against treason. This time they managed to get started. Seeing this, a mob of Jews attacked. But when our men got the best of the mob, the police brutally threw our men into police vans!

On October 12, 1962, Captain Seth D. Ryan and Lt. Ralph Forbes went into Federal Court for the Eastern District of Pennsylvania (Philadelphia) asking for a writ ordering the police department to maintain order in the streets while we picketed against Gus Hall, the communist. The judge ruled that there was a technical defect in our complaint. So, on that ground, he turned down our writ, and our pickets against Gus Hall were beaten, arrested and now held in $2500 bail!

But the federal judge DID indicate that he would order police protection for our peaceful picket line AS SOON AS WE FILED PAPERS IN THE CORRECT TECHNICAL ORDER.

Do you realize what this means?

Do you realize what this means?

It means that at last we can turn the tables on the enemies of America.

It means we can smash the filthy Jew terrorists with the same weapons they have used against white Christians--in Mississippi and elsewhere.

It means, for the first time, we can beat the daylights out of the Jews, WITH THE LAW!

It means we can legally AVENGE MISSISSIPPI!

The Jews have chosen to make their stand in Philadelphia as the white gentiles did in Mississippi. WE HAVE THE EXACT SITUATION WE NEED TO BEAT THE JEW-COMMUNIST RACE-MIXERS TO THEIR KNEES AND GIVE WHITE CHRISTIANS A VICTORY AT LAST!

We have the fighting young men willing to face jail or death! We have the fanatical spirit! We have the strategic know-how! We have the brazen tactics that have been proved! We have the guts, will, drive and determination.

ABOVE ALL, WE HAVE THE LAW AND THE LEGAL KNOW-HOW!

The most effective blow in years at the enemy was the "reverse freedom rides", when our side used the Jews' own methods to expose their rotten hypocrisy.

Here is another perfect chance to turn the tables on the Jew communist race-mixing tormentors of white, Christian America!

Here is the picture which we can make a reality!

It is high noon in Philadelphia, Pennsylvania. The streets are filled with thousands upon thousands of enraged Jews, shouting, shrieking and hurling filth and brickbats at rows of federal marshals trying to make an entrance lane for one lone Nazi carrying a sign "Communism and race-mixing are Jewish!". The marshals fall back before the waves of Jew terrorists and Bobby is forced to call in the army! The helmeted troops, including the inevitable cannibals, advance on the Jew mob with their bayonets fixed and tear gas cannisters flying amongst God's chosen race-mixers. The Jews fall back, eyes streaming tears, cursing and groaning! Hundreds fall to the ground hysterical and frothing with hate! Many are shrieking about Auschwitz and the gas chambers but the bayonets keep advancing! The Jews chant and rave! But nobody listens!

All motor traffic has been diverted from the streets. Down the main street of Philadelphia marching legions of armed paratroopers prod the hate-crazed mob with steel bayonets. In the center of this marching armada, proudly walks a single white American, just as Meredith entered the University of Mississippi against the will of the entire state. The lone white, Christian picket marches up and down behind the wall of federal marshals and army bayonets, carrying high a sign "COMMUNISM AND RACE-MIXING ARE JEWISH!".

Let's make it clear that our aim is not to create any such picture, any more than this was our aim the thousands of times we have picketed in Washington and a hundred other cities without disorder. Our aim is to enforce our constitutional rights in Philadelphia the same way the Jews and red Negroes enforced their "constitutional rights" in Mississippi--with the help of Bobby Kennedy, the marshals and the army. Can you imagine the effect of this scene on the communist race-mixing Jews?--and can you imagine the surge of new hope in the breasts of millions

of our fellow white, Christian Americans when we thus force the federal machinery, for the first time, to stand up for the people who built this wonderful Republic, rather than the Jew communist race-mixers who are doing everything possible to destroy it?

Remember how effective the "reverse freedom rides" were?

And then reflect how useless would have been the idea and the effort of this brilliant stroke had its originators been without funds--as we are! Time and again we have accomplished the "impossible", in spite of almost invisible "funds"--and the heart-breaking smears that we are "working for the Jews".

To achieve their tragic victory over Mississippi, the enemy must have spent at least a million dollars.

To utterly whip and smash the Jew communist race-mixing machine BY LAW, we do not need millions but we DO need several thousand dollars.

In the whole history of the party we have never had an entire thousand dollars of our own to spend on anything! Our men have willingly gone to jail fighting Jew communism and race-mixing, knowing we have no money for bail or lawyers (fifteen of our brave, young Americans are NOW in jail in Miami, Los Angeles, Birmingham, Baltimore, Philadelphia and Chicago!).

This letter is to ask, for the first time, for some REAL money to avenge Mississippi and smash the morale of the enemy in a public demonstration which will astound the world.

Won't you PLEASE do ALL you can to raise substantial funds to put one white, gentile American in the middle of Philadelphia with a sign "Communism and Race-Mixing are Jewish!"--just as the Jews put that one red nigger in Ole Miss?

The federal judge has already indicated he will issue the order which Bobby Kennedy will have to enforce if our papers are in order. We need help to do this and for the inevitable appeals to higher courts. Don't let this golden opportunity for the white man pass us by! AVENGE MISSISSIPPI!

Send us the ammunition and we will fire it--straight into the hearts of the worst enemies America has ever had!!

DEATH TO JEW TRAITORS AND RACE-MIXERS!
